

# Your IRA Donation Can Double the Impact for the VIP Program!

## Matching Donation Opportunity

- A generous anonymous donor will **match all donations to VIP up to \$15,000 through January 15, 2026.**
- That means every dollar you give — whether from your IRA or any other source — will be doubled to support students.

## What is an IRA Qualified Charitable Distribution (QCD)?

- If you're **age 70½ or older**, you can give directly from your IRA to a qualified charity.
- These gifts are called **Qualified Charitable Distributions (QCDs)**.
- A QCD can **reduce your taxable income** and counts toward your **Required Minimum Distribution (RMD)**.
- For 2025, you can give up to **\$108,000 per person** through QCDs.

## How to Make Your Donation Directly from Your IRA

1. Contact Stacey Huscher, Executive Director, PV Schools Education Foundation at [stacey@pvsef.org](mailto:stacey@pvsef.org) or (602) 758-2271. She will provide everything you need to make the process simple.
2. Contact your IRA custodian and request a **Qualified Charitable Distribution** to:  
**PV Schools Education Foundation**  
3241 E Shea Blvd, Ste 1 #420  
Phoenix AZ 85028
3. The Foundation will email the necessary documentation confirming qualifying IRS status and how to ensure the donation is designated to benefit VIP. Your custodian will issue the check and send it directly to the Foundation. You will receive acknowledgement from the Foundation of your donation.

## Why Give to the PV Schools Education Foundation to Support VIP?

- The award-winning Volunteer in Paradise (VIP) program provides impactful one-on-one classroom support to students who need extra help.
- Your gift strengthens this program and ensures more students receive personalized attention from caring volunteers.

## About Us

The PV Schools Education Foundation provides critical funding to the VIP program and is a qualified public charity under section 501(c)(3) of the Internal Revenue Code (EIN: 86-0778743). Contributions, including Qualified Charitable Distributions (QCDs) from IRAs, are tax-deductible to the fullest extent allowed by law.
